January, 2013

Dear Supporter:

During the year, you can provide the gift of joy and nutrition to a senior citizen. For a donation of \$100, you can sponsor 10 senior citizens by providing each one a food bag filled with fresh produce (fruits and vegetables) or you can sponsor one senior monthly for 10 months out of the year. These bags will be hand delivered to their facility/home by GFMP.

Many of GFMP senior sites that we service throughout the Greater Phoenix area are in food desert locations. The seniors don't have transportation to travel for fresh produce. We have an opportunity to meet an unmet need.

The mission of Diana Gregory Outreach Services, a 501 (c)(3) organization is to enrich lives to achieve healthy eating. We do this by providing nutrition in the form of fresh fruits and vegetables. Fresh produce is extremely beneficial to help prevent and manage common health challenges such as hypertension, diabetes, heart conditions, high cholesterol, digestive issues, obesity, etc.

Thank you for your initial consideration. We truly hope you will choose to *Sponsor seniors throughout the year*. To learn more about Gregory's Fresh Market Place or to reach me directly, please call (602) 468-0404. Visit our website and check out Gregory's Fresh Market Place facebook page.

Sincerely,

A handwritten signature in cursive script that reads "Diana Gregory".
